

DRRA

Darlington Ratepayers and Residents Association

The Darlington Ratepayers and Residents Association (DRRA) is an incorporated body which provides an opportunity for the people of Darlington to be involved in maintaining and improving our hills and village lifestyle. Its objects are to safeguard and promote the interest of the ratepayers and residents of the area and to preserve the character of the area and the surrounding countryside.

The DRRA has a long history as a representative organization having operated continuously since 1928 (apart from a break during World War II). When issues of importance to the Darlington community arise, the DRRA convenes public meetings to facilitate community discussion and advises the relevant authorities of the community's views and preferences.

Membership is open to all residents and ratepayers of Darlington.

Participation:

Members of the Darlington community are invited and welcome to attend DRRA meetings at any time. They may address the DRRA and participate in discussion.

In addition at least one of our local Councillors attends each meeting and reports on Council matters of interest to Darlington. Community members must be financial members of the Association to formally move an issue for decision and/or to vote on any motion before DRRA. Community members may join DRRA by simply paying their annual fee of \$10 direct to the Treasurer at any time.
