Glen Forrest Sports and Social Club, established in the late 1920s and tucked away in McGlew Road Glen Forrest, is a small but special club, which offers sport and recreational activities, including lawn bowls, cricket, darts, pool, bridge in a relaxed environment. The Mundaring Proboscis Club makes its home here and also the No End Band, which specializes in music from the 60s and later.

Apart from the activities and sports, there is a lively social calendar, which in 2009 included a Quiz Night, a Kids Easter Egg Hunt, Anzac Day Party, Christmas in July, complete with a home-produced pantomime, and a Halloween Party, as well as a family Christmas Party and a 'Thank the Volunteers' Night.

The Club is well-known for its social spirit and Happy Hour, from 5.00-6.00pm on Mondays, Tuesdays and Fridays, gives plenty of scope for that. We have a well-stocked bar for all drinking tastes and in winter the two open fires provide added warmth and atmosphere.

Members can also hire the Club for their special events: anything from christenings to 80th birthday parties!

We have a strong and motivated Management Committee, consisting of:

Baz Wittcomb	President	Nathan Cain- Treasurer
Ron Cain	Vice President	Anne Jeavons- Events Co-ordinator
Paul Jost	Secretary
