

Helena College

For further information see the College website. www.helenacollege.wa.edu.au

Helena College's Junior and Senior Schools are independent, co-educational day schools, providing education from Kindergarten to Year 12 in the hills of Perth. The College offers a small school environment, with a strong family and community ethos. The Junior School is situated in Darlington and offers single stream education for students in Kindergarten to Year 6. Current enrolments are 220. The Senior School is based in Glen Forrest and caters for students in Years 7-9 in three streams throughout Middle School and Years 10-12 in Upper School. Current enrolments are 500.

Our vision is to provide innovative, educational programs of study and extra-curricular activities, empowering individuals to accept challenges, extend personal boundaries and be active contributors to society.

Our mission is to seek to nurture individuality and self-worth in all members of our community while providing opportunities to strive for personal excellence, develop resiliency and demonstrate initiative.

All members of our community are guided by these values: respect, responsibility, honesty, understanding, tolerance, inclusion, personal excellence and freedom.

Keys to a cohesive, friendly, student community and innovative learning are a focus on breadth of education, 'bringing out the best' in each student, plus a comprehensive camp and pastoral care program.

The Junior School offers a unique arts and options program for the children, whilst at the Senior School the International Baccalaureate Middle Years Program is being introduced for students in Years 7-

10. In Upper School a majority of students aspire to university entrance. The Senior School also offers a 1-to-1 laptop program for all students.

Prospective parents are invited to tours of each campus to view the school in operation on a normal school day. Tours are held twice per term on Friday mornings. For further enrolment inquiries or to book a place on a tour please contact the College registrar.
