If you are visiting the Perth Hills, take the time to drop in and visit the Mundaring Arts Centre. This heritage building in the 'heart' of Mundaring features a dedicated

exhibition space featuring emerging and leading West Australian artists, a gift shop with a stunning range of artworks and gifts by local artists and a spacious community room.

The Mundaring Arts Centre was founded in 1979 by a dedicated group of artists and community members to provide support for local artists and to showcase their talents to the public. The staff and volunteers continue to offer a diverse annual program with a broad range of arts workshops, exhibitions, public programs and events.
