and Youth Care (Inc) has delivered the programme since its inception in September 2001. Seen and Heard aims to enhance

The Seen and Heard Programme was developed by the Shire of Mundaring in response to feedback gained from young people, parents and local youth service providers through the 'Youth Needs Study' conducted in 1999. Parkerville Children

and works with existing community groups and organisations to improve the social, health and educational outcomes for the young people of the Shire.

The main focus of the Seen and Heard programme is to encourage local youth aged 12-20 who reside in the Shire of Mundaring to be active and participate in community life. The Seen and Heard CREW is a group of more than 60 youth volunteers who are actively involved in volunteering in their community. All CREW Members receive a CREW Member T-Shirt when they join. The CREW plan activities and events for other local youth including Battle of the Bands, Seen and Heard Dance Parties, Pool Parties, School Holiday Activities, National Youth Week and other awesome social networking opportunities.

components including an outreach service to all areas within the Shire, advocacy, educational programmes, promotion of the health and well-being of young people, facilitation of events and activities,

the well-being of all young people aged 12-20 years who reside within the Shire of Mundaring through utilising the principles of community development.

The programme incorporates a number of

Through their involvement in CREW activities, CREW Members

have the opportunity to meet others, attend exclusive CREW Member reward evenings that include movie nights, bowling, rock climbing and various other adventures. CREW Members develop their leadership, teamwork and communication skills which will be of benefit when seeking employment in the future. The Seen and Heard CREW are always interested in hearing from people who would like to join in the fun and meet other local young people.
