

"Taking it to the Streets"

The Darlington Volunteer Bushfire Brigade and Bushfire Ready Group "Taking it to the Streets" community information street meets is now on Saturday, 22nd October between 9.30am and 12.30pm. Locations remain the same and will be identified by street signs prior to the day. We encourage local residents to come down and talk to fire fighters and facilitators about preparing their home for the forthcoming fire season. Handouts and information will also be available.
